

Welcome!

The wine program at black & blue has been designed to make the most of your experience by providing the best value in an array of styles, brands and price, so don't worry if you are unfamiliar with many of the producers. That said, we also wanted to incorporate many big names and known producers as well as up and coming regions and the latest wine trends, this way you have the opportunity to have your favorite bottle or try something you just read about.

The list itself is categorized by TYPE of wine with Sparkling and White Wines listed in the front and Red Wines listed in the back. The list is then categorized by VARIETAL, or "type" of grape, which is also sorted from LIGHT to FULL-bodied throughout the list. Additionally, in the very front are some featured wines BY-THE-GLASS. We have a wonderful Coravin system that makes it possible to have wines available to try by the glass that usually are only available by the bottle.

The core philosophy of our restaurant is that wine is simply an extension of the meal enhancing your experience with us. There aren't any wrong choices when it comes to wine, just some that are more to your personal taste. Because of this belief, our whole team is prepared to answer questions and assist in choosing the right wine for you.

Sincerely,

The black & blue team
